Toni Bell

As life changes, you or a loved one may need to downsize and relocate to a smaller home or retirement community due to a health related challenge, the loss of a loved one, or economical reasons.

Planned or unexpected, moving can be overwhelming, especially if you are making the transition from a familiar home you have lived in for years.

We specialize in Senior move management, downsizing/ rightsizing, full or partial liquidations and estate sales.

Caring Transitions offers a streamlined support system to help facilitate a stress-free transition. We will serve as your advocate and ensure your best interests are kept in mind throughout the process.

Special Member Benefit

Caring Transitions will provide a FREE computerized 3-D floor plan (valued at \$250 or more), for members of **Seniors on the Move**, when bundled with relocation services.
